Time it was,
And what time it was,

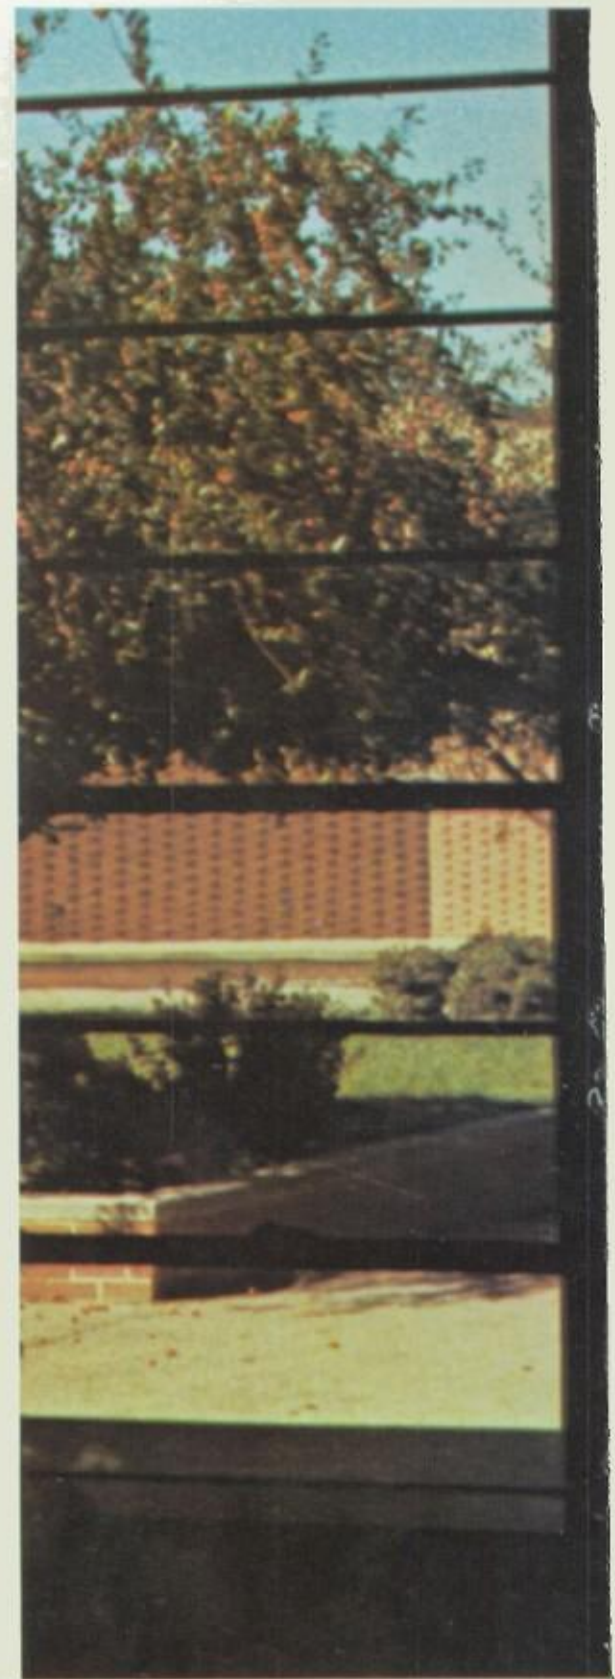

It was . . .
A time of innocence,

A time of confidences.

Long ago . . . it must be . . .
I have a photograph.

Preserve your memories;
They're all that's left you.

The sideline awaits the call.

In 1961, a young man came to a young school. Jim Reichenbach had made quite a name for himself as an All-American at Ohio State under Woody Hayes. He undertook making a name for Glenwood in the Federal League. Since his coming, he has led Glenwood to seven winning seasons. More important, he has developed sportsmanship and desire to win within the individual athletes, molding boys into men. In appreciation, we dedicate the athletics section of *Glea* to Coach Reichenbach.

FOUL SHOT

Edwin A. Hoey

With two 60's stuck on the scoreboard
And two seconds hanging on the clock,
The solemn boy in the center of eyes,
Squeezed by silence,
Seeks out the line with his feet,
Soothes his hands along his uniform,
Gently drums the ball against the floor,
Then measures the waiting net,
Raises the ball on his right hand,
Balances it with his left,
Calms it with fingertips,
Breathes,
Crouches,
Waits,
And then through a stretching of stillness,
Nudges it upward.

The ball
Slides up and out,
Lands,
Leans,
Wobbles,
Wavers,
Hesitates,
Exasperates,
Plays it coy
Until every face begs with unsounding
screams—
And then

And then

And then,

Right before ROAR-UP,
Dives down and through.

KIM HERTZIG
Senior Letterman

As the leaves fall to the ground, the harriers hit the hills. Cross-country is certainly one of the most demanding sports. It requires an unusual amount of strength, endurance, dedication, and sweat. To run and not get tired; to find strength when there is little to find; to have the dedication to continue when you're behind; these are the makings of a cross-country runner.

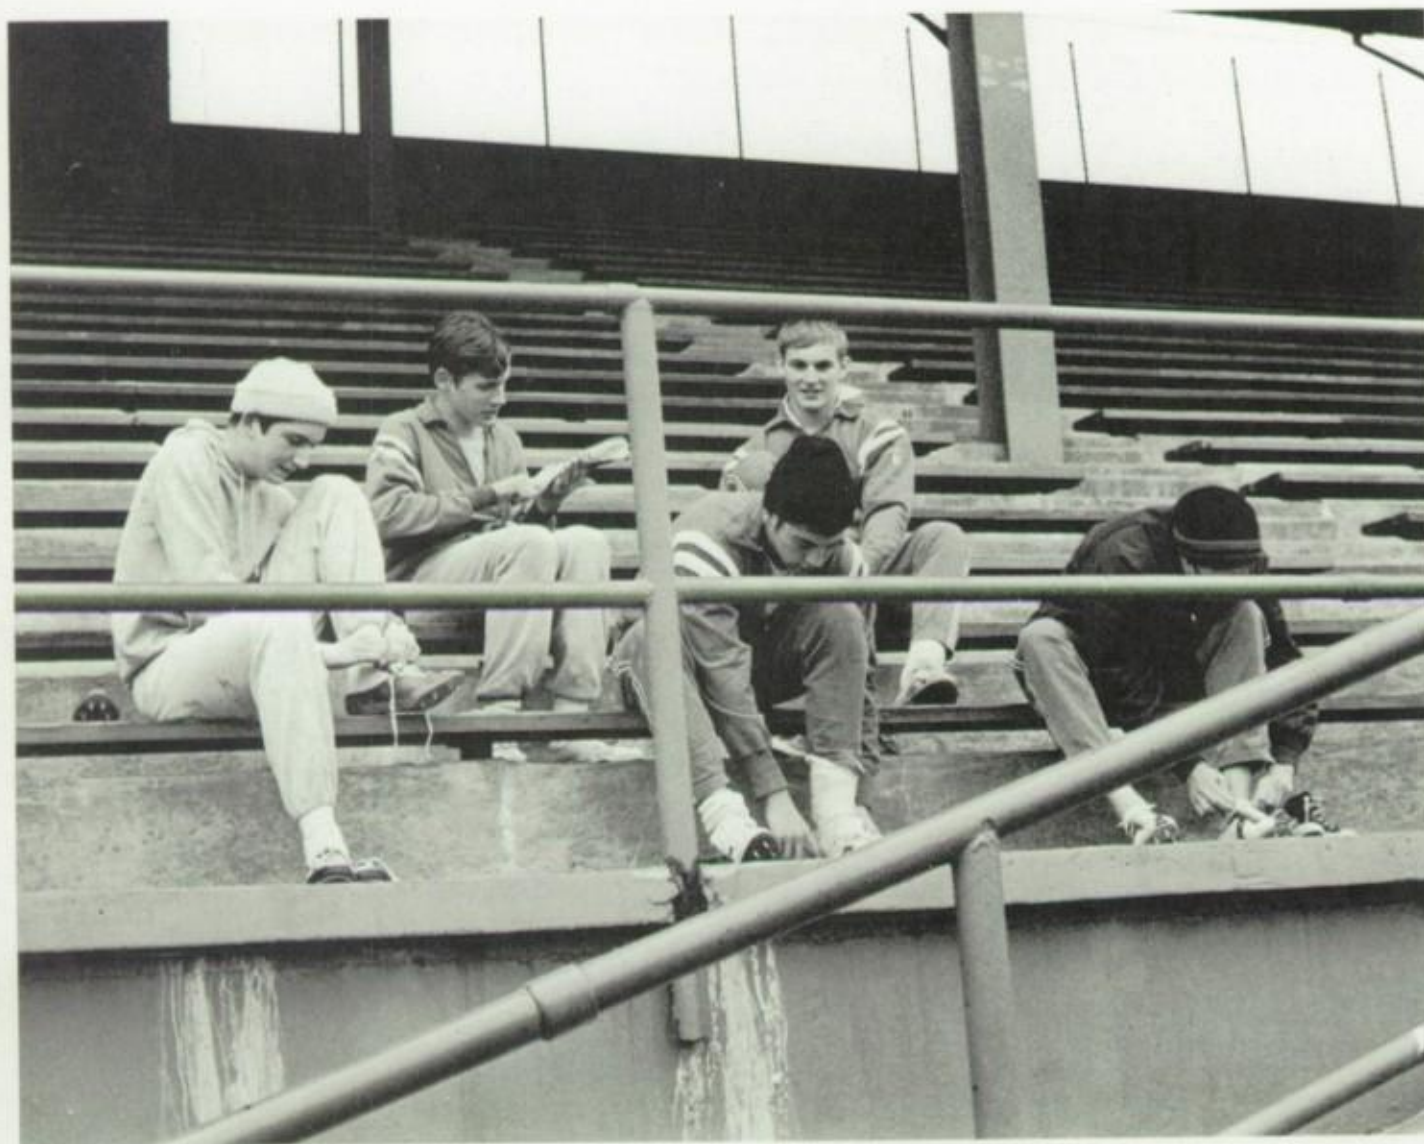

DAVE RITCHEY
Senior Letterman

TRACK

FRONT ROW: Alan Sigler, Jim Ryan, Jerry Priest, Ron Ackley, Dave Linerode, Jeff Rodek, Eddie Thompson, Chuck Spera. SECOND ROW:

Coach Holt, Coach Bainbridge, Joe Drotovick, Dave Richey, Bob Hahn, Dave Glossbrenner, Jim Lawrence, Kim Hertzog, Bob Mamaux.

The runners test their spikes before the race.

Hahn goes for the wire.

Glossbrenner reaches for the distance in the shot.

Hours of practice become important as the gun sounds.

"A Second Less—A Foot More"

Late winter snows... early spring rains... calcs... weights and distances... through the obstacle course: up the rope, over the horse... bang... Pavlovian responses... good form... second wind... submerged inside lane... sawdust and cinders... the county meet... under the wire... individual effort for team accomplishments.

Ron Ackley puts it all together.

John Kelly barely brushes the bar during a successful jump.

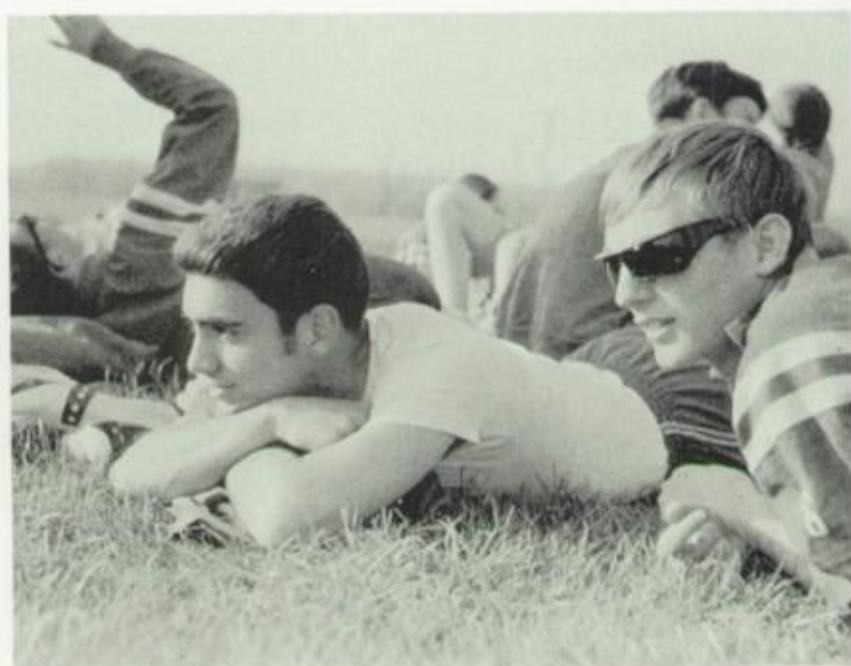

Jakmides clears the last hurdle.

Lettermen—Ron Ackley, Joe Drotovick, Dave Ritchey, Bob Hahn, Dave Glossbrenner, Kim Hertzog, Jeff Rodek, Eddie Thompson, Alan Sigler. ABSENT: Rick Schmidt, Jim Tate.

Time is all important to Coach Holt.

Thompson and Schmidt eye the competition.

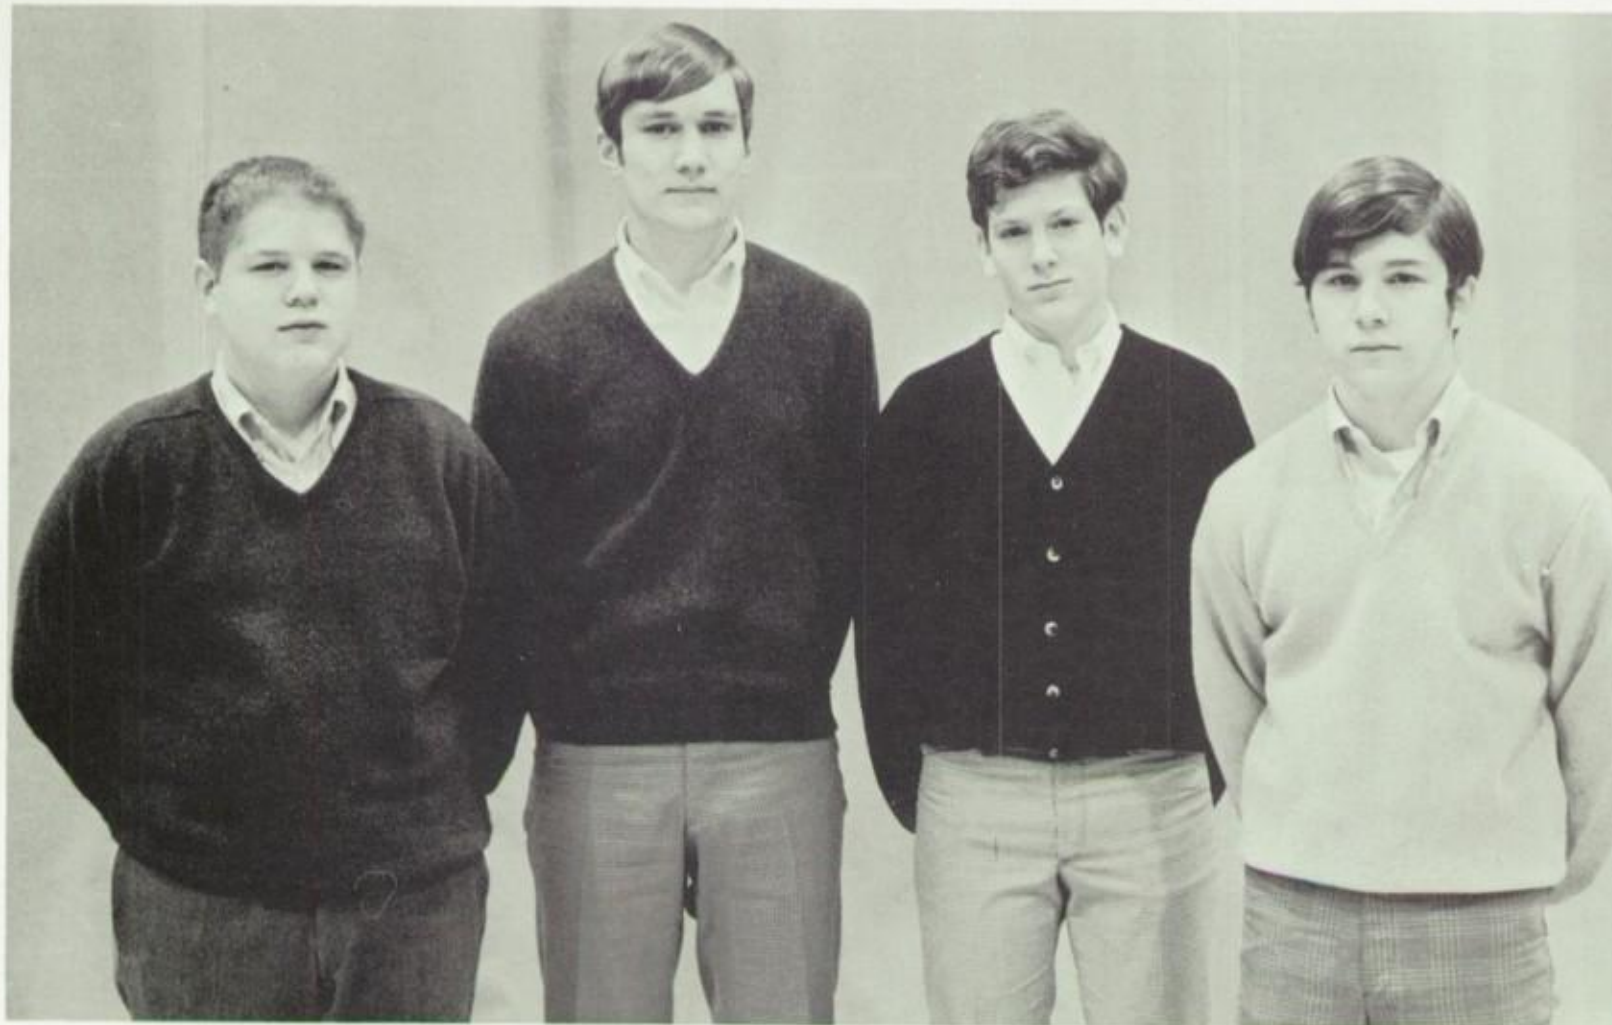

Lettermen—Doug Dennis, Jeff Jakmides.

Glossbrenner combines power and concentration.

GOLF

Lettermen—Mike Novelli, Sam Mollet, Bob Lazarus, Dan Pelger.

As the snows melt and the sun moves north, "fore" can be heard echoing over the golf courses. With a set of clubs and buckets of balls, the team aims for perfection. Bringing home a trophy from the county tournament, the squad made its practice pay off. Only a select few from many fine golfers can play at one time, but the whole team works for perfection. Longer drives, better putts, fewer slices—these are what Glenwood golfers strive for and their record stands as a symbol of their accomplishments.

BOB LAZARUS, Senior Letterman

The Glenwood tennis men have consistently been winners. The tennis season officially starts in the cold March wind and rain. It ends, if all goes well, on the courts of Ohio State University for the state championship. Members of the team spend their summers in preparation for the contests of the next spring, especially for the Lehman match. Underneath the appearances of unconcerned confidence and good-natured joking, the seven athletes that make up the Glenwood High School Tennis Team are serious and totally dedicated to winning.

Lettermen—FRONT ROW: Gene Kahn, Jim Grafmeyer. SECOND ROW: Tim Hoover, Jeff Knapp, Dave Berzon. ABSENT: Tim Bricker, Larry Slack.

BASEBALL

Lettermen—Gary Shahan, Terry Wuske, Brad Hoagland, Larry Schaffner, Andy Deuble, Mr. Mobberly, Coach.

When a baseball player steps into the batter's box he enters a personal duel with the pitcher. They stare each other down. They try to intimidate each other. The end result is either the sharp crack of the bat or a yell from the umpire, "You're out!" To the casual observer many of the intricacies of the game are lost, but a winning team must master all of them. Time and practice are all important and the Glenwood baseball team has made their work pay off.

It takes teamwork to win.

Warm ups at Don Scott Field are important.

Time it was,
And what a time it was.
It was . . .

Saving can be a fun thing

The person who claims that saving money is a drag probably has never really tried to save. One thing for sure, he hasn't been saving at Citizens Savings. Citizens makes saving a real fun thing. First off, they pay you a higher interest rate . . . a big $4\frac{1}{4}$ percent. And Citizens pays interest on accounts with balances of five dollars or more. So right from the start you can see those savings growing. That's when the fun begins . . . watching those savings grow and knowing that it's your money that's growing. By saving what you can, when you can, it doesn't take long before you've got enough money for college, new clothes or that car you've been wanting. There's a big difference between dreaming and doing something about that dream. The difference can be a Citizens Savings account with $4\frac{1}{4}$ percent interest that is monthly made and quarterly paid.

The more we know... the more there is to learn

Education is like opening an endless series of doors. Behind each succeeding door lies new and exciting territory waiting to be explored. Finding the answer to one question opens the door to a myriad of related questions. Continuing to learn can be like spending the rest of your life unwrapping a surprise package.  We know because we've been doing it throughout our corporate life. Every time we've thought we knew all there was to know about appliances, we've come upon 101 new questions looking for answers. It's sometimes difficult. It's always challenging. And it's always interesting.  And we're sure an important reason for Hoover appliance leadership is that we've never thought of ourselves as know-it-alls.

We've learned one thing about profit.

**If you can't make a little of it...
you can't make much of anything.**

Profit is what keeps a company's wheels turning. So it can keep turning out the products its customers rely on.

And our wheels have been turning continuously for seventy years.

Profit pays for our research and development. It helps us discover new bearing and steel uses.

Profit pays for new facilities. And it pays for the people who have helped to make the profit.

Can you help? Do you have the training and determination it takes to meet the challenges of today's moon-rocketing technology? When you graduate, come see us. And if you plan to go on to college, remember us for the future.

BUT IT was Bob Hahn, a sub who had played so sparingly during regular season that McKinley's "book" did not contain a chapter on him, who slipped inside for a lay-up that moved the Eagle front 44-43, with 1:24 remaining in the third period.

OR PLAY. Ron Susana (10), ballhawking captain of the Glenwood Eagles, appears to be the hands of a magician as he comes out of a pileup Friday night with the basketball. On the floor are Dave Turner of McKinley and Jeff Preusser of Glenwood. Other identifiable players are McKinley's Barry Ring (41) and Jeff Dickey (13) and Glenwood's **DAN** (partially hidden). Drotovick lauded his players for their calmness under pressure. "This was a tremendous team effort," he said. "That's the way we've been doing it all season. The boys are completely unselfish. After we lost three of our first five games, it was just a matter of working together. We've had positive thinking out there."

A trapping press helped the Bulldogs take the upper hand in the first quarter. The offense featured Turner on the inside during the second quarter when he accounted for eight points. "We were being beaten some on the press," Rupert explained. "You can't go with it forever, and we weren't using it when we got eight points on them in the second quarter."

59-54 Victory

"AS FOR THE offense the second half, we didn't use the inside part of our game as much as we could have. When we got down by five early in the last quarter, we had to do things we ordinarily don't do."

"I just have to say they (Glenwood) shot the ball better than any team we played. We tried every defense we have, but as I mentioned, it would be hard for anyone to beat them the way they hit the basket."

Glenwood's last point was made by Sheil at the foul line with one second left and the Bulldogs in the dressing room.

Apparently most of the players and coaches thought time had expired before the foul was called. The officials made little effort to bring the players back.

Other than Dickey, who made five of McKinley's seven fielders in 25 second-half tries, the only double-figure scorer for the Bulldogs was Turner with 12. He and Chlysta each snared five rebounds.

Kraft, junior, garnered 17 points for Glenwood. Preusser, 6-foot-4 senior pivot, got 16, and Susana, the key ball-handler, 11. Preusser had six rebounds, Sheil and sub Bob Hahn five apiece.

Well, this is it - the 1970 GLEA in one piece. And there are so many people to whom we owe its success. We'd like to thank Jim Parkinson, Mike McKelley, and the entire Consolidated Graphic Arts Corporation staff for patiently putting up with our gripes and questions, Troup and Pluto Photographers for the invaluable help they gave us, Ohio School Pictures for their work with underclass portraits, and the administration for their cooperation. Of course, we can't forget the faculty for kindly accepting the fact that the annual staff is indeed a classroom disrupter and the patrons of the senior class and the advertisers whose support we couldn't have done without.

The ones who we really must thank and can never exactly tell how much we appreciate their hard work and perserverance are the twenty-three wonderful, great, and terrific kids on the annual staff. Without them, working on the annual would be a real drag, but when there are such nutty, fun-loving people as the ones who we worked with this year, nothing is a chore, and annual is fun!

There's still another person who can never know exactly how we feel about her. An advisor of the annual staff has got to be crazy, understanding, patient, and named Mrs. Haverfield. What a woman! There isn't a better person in the world - just ask anybody on the annual staff.

But you, the main characters of the book, are the most important. Without you, there would be no annual. We truly appreciate your cooperation and financial support, and so we dedicate this book to you, because you are the annual.
